

**When you join Project Inspire, you will collaborate with other students to design and develop an INNOVATIVE project that solves a social, medical, or environmental need within the community. If you are interested in Pre-Health, Engineering, Computer Science, Public Policy, Art, inventing, or volunteerism, you should come check us out!**

**If interested, email [projectinspire2013@gmail.com](mailto:projectinspire2013@gmail.com) and like [www.facebook.com/project.inspire.2013](http://www.facebook.com/project.inspire.2013).**

**First meeting: 5:00 pm on Wednesday, September 10<sup>th</sup>!**
