

Journal for Pre-Health Affiliated Students

Mission Statement

The Journal for Pre-Health Affiliated Students (JPHAS) was created in May 2001 to more fully recognize the broad spectrum of pre-health students at the University of Illinois at Chicago. JPHAS strives to offer students considering careers in health-oriented professions a valuable, informative resource and a forum to express, present, and exchange ideas. JPHAS aspires to strengthen the network of support for pre-health students.
