U.S. Marine Corps Reserves

Since 1995, Toys for Tots has helped spread cheer during the holiday season through the generosity of donors. The UIC community is joining this effort by collecting toys for excited Cook County children. Please consider donating this year and brightening the life of a young child.

New and unwrapped toys for children ages 0-13 can be dropped off at any of our collection sites on East Campus. Toys that are used or contain weapons or food cannot be accepted.
