

# Tea Talks: Bystander Intervention Training

**Wednesday, March 1st, 3 - 5:00pm**

Women's Leadership and Resource Center  
1101 W. Taylor Street, 3rd Floor

*Have you ever been confronted with or witnessed a form of injustice and did not know what to do?*

During this bystander intervention training, we will focus on ways to interrupt and remedy public instances of social/racial injustice. We will provide you with skills and strategies that can be applied to a variety of real life situations. Sharing our stories and taking action creates a strong and sustainable community support system. This is a Tea Talks program in which we aim to collectively learn, teach and share remedies for obstacles and challenges we experience.

**Snacks and organic tea from the UIC Heritage Garden will be provided.**

**All welcome! Please contact [heritagegarden.uic@gmail.com](mailto:heritagegarden.uic@gmail.com) if you require any accommodations.**

Send RSVP to [heritagegarden.uic@gmail.com](mailto:heritagegarden.uic@gmail.com) or on the facebook event by Monday, February 27. Priority will be given to UIC students.
