Initiatives**

STEM WEEK 2018

OCTOBER 22 – OCTOBER 26

MONDAY– **University of Wisconsin** faculty and graduate students visit UIC to discuss opportunities for research & graduate school at UW-Madison. **SSB Rooms A-B-C**, 10:30am-3:00pm

TUESDAY– Learn about **Summer Research** - UIC students discuss! **SSB Room B**, 5:00pm-6:00pm

WEDNESDAY– **Study Abroad** for STEM Students. Learn about STEM programs and more, including a summer in China: The Wanxiang Fellows Program. **SCE Fort Dearborn Room**, 4pm-5pm

THURSDAY– Guest Speaker: **Mae Whiteside**, President/CEO CKL Engineers. **SCE Cardinal Room**, 11:30am-1:00pm

FRIDAY– **PAP STEM Initiative Open House**. **SSB 1300**, 12:30pm-3:00pm

MONDAY- October 22, 2018

Visiting faculty and graduate students from the University of Wisconsin-Madison campus will be at UIC on Monday, October 22, to provide an overview of opportunities for research and graduate school at UW-Madison. Come when you can – Learn about research programs on the UW-Madison campus, financial support for graduate students, social activities, and the City of Madison. Get the student perspective at a Drop-In session or during the Lunch with fellow students.

All sessions are in SSB – Meeting Rooms A-B-C

- 10:30am-11:50am** Drop-In session for students – UW presentation, with UW-Bioscience students and SciMed Graduate Research Scholars
- 12:00pm-1:30pm** Lunch* for students
- 12:00-1:00pm** Lunch* for faculty and program staff
- 1:00pm-1:30pm** T32 Training Overview for faculty and graduate students
- 1:30pm-3:00pm** Drop-In session for students – UW presentation, with UW-Bioscience students and SciMed Graduate Research Scholars

Meet the Wisconsin Guests:

- Dr. Sara Patterson, Director of the Sci-Med Graduate Research Scholars Program (<https://scimedgrs.wisc.edu/contact.php>)
- Dr. Rick Eisenstein, Director of the Molecular and Applied Nutrition NIH T32 training grant (training graduate students and postdocs) (<https://nutrisci.wisc.edu/nih-training-grant/>)
- Dr. Michelle Parmenter, Program Assistant SciMed Graduate Research Scholars
- UW Madison Graduate Students: Luis Torres, Medical Physics; Nik Santistevan, Genetics; Maeghan Murie, Neuroscience

TUESDAY- October 23, 2018

Learn about **Summer Research Opportunities** - UIC students discuss their experiences!

(Panelists: Anis Barmada, Malik Blackman, Theresa Ewa, Mario Lopez; Research Posters: Anis Barmada, Isra Hasnain, Olivert Mbah)

5:00pm-6:00pm Student Services Building (SSB) – Meeting Room B

WEDNESDAY- October 24, 2018

Study Abroad for STEM Students. Discover STEM programs, cultural programs, and research abroad. Learn about a new expenses-paid summer opportunity for course credit, in China: The Wanxiang Fellows Program.
