

Advice for the fair:

- Maintain professional conduct, as if you are in interview mode the entire time. You never know when a recruiter may be observing you!
- SMILE! Employers notice how you carry yourself and your facial expressions say a lot.
- Stand out in a positive way by displaying sharing a relevant memorable story in your elevator pitch.
- Ask questions! Employers love it when students ask questions, it shows that you have a sincere interest in the organization.

Welcome to the

Arts and Culture
